

## Devil's Hopyard State Park located in East Haddam, CT

Sept 22<sup>nd</sup> - 24<sup>th</sup>

Troop 880 will be going out to Devil's Hopyard State Park in East Haddam, CT for our September trip. This trip would be a good opportunity for scouts to work on requirements for any partial merit badges from Summer Camp; their Cooking Merit Badge; or for younger scouts cooking for rank advancement. We will work on anything the scouts need for advancement. Please let us know ahead of time what requirements your son may want to complete. There is a network of trails and natural sites for us to see and hike around our site. We can help scouts identify different trees and plants as well as animal tracks for additional advancement. It will be Patrol cooking for all three meals Saturday and Sunday Breakfast. The cost of the trip will be 10 dollars. Please email if you plan on attending and send me your permission slip and payment in the mail.
