

## Deer Lake Scout Reservation

Killingworth CT.

Troop 880 will be camping at Deer Lake Scout Reservation in Killingworth CT. April 12-14.

We have the DaRos Cabin and we have the outpost site. The Daros cabin is large cabin which sleeps up to 36 people. The outpost is an area on the scout reservation that is hiked into with your gear. We plan to camp at the Cabin Friday night. Saturday the older scouts who would like to backpack to the outpost and spend Saturday evening up there will be able to do that. We plan on doing a hike around the grounds Saturday and work on any and all advancement we can this weekend. This trip will be patrol cooking. This means the Scouts will be responsible for all their own meals. This is very nice place to hike and camp and another great opportunity to get rank advancement and improve on your skills.

The cost of the trip is 20 dollars. This camping trip is Patrol cooking so the Scouts will be responsible for their own meals. We will be leaving the church Friday the 12<sup>th</sup> at 5:30pm and returning about 10am Sunday morning. Any questions please email me.
