

**Cape Cod Bike Trip May 2018**  
**May18 -20**  
**Located on Cape Cod at Camp Greenough**

Troop

Our May camping trip is to Camp Greenough in Yarmouth Port, MA on Cape Cod. This is where we went last year and it was a nice Boy Scout camp facility. This is our annual bike trip and we will plan to ride on parts of the Cape Cod Rail Trail.

Our intent is to have three groups on the trip - experienced bikers who can ride further on the trail, beginner bikers who will take a shorter and easier ride, and anyone who is not a biker who can work on advancement at camp and go visit the Cape Cod National Sea Shore.

Attached is the permission slip for this trip. Please advise if you plan to attend and return the permission slip with payment to Steve Lewis by May 12th. We will close the trip when we reach the number of drivers and room for bikes we have, so help us by making your decisions by then.

I will assign patrols and cooking assignments by May 13th. Scouts who need cooking for their next rank please let me know so we can be sure you have the opportunity.

If you have any questions please let me know.
